

## WELL DRILLER PLATES FOR RIGS ORDER FORM

Idaho Water Well Driller Licensing Rules (Rule 37.03.10.050.01.d.) requests the driller to: "Have the license number displayed in a conspicuous place on the drill rig using a metal plate provided by the department or other permanent marking approved by the director."

Please complete this form if you wish to replace a plate or add plates to recently acquired equipment and submit with the appropriate fee to the address shown below. Make check or money order out to: Idaho Department of Water Resources. Please do not send cash.

### Description of Plates

**Standard Plate:** This driller's plate (metal) has raised lettering in red on a white reflective background and measures 4 inches by 12 inches. The fee for the standard plate will be \$11 per plate.

**Optional Plate:** This plate will be the same as the Standard Plate except it has room to the right of the license number for a blue decal of the driller's name or some abbreviation thereof. The decal can be up to three lines of a maximum of 17 letters per line including spaces. The name can appear in larger lettering and fewer lines if a name is not as long as the 17 letters. The fee for the optional plate will be \$20 per plate.
